CERT III SPECIALIST OPTIONAL COURSES

Additional Costs for optional courses in Year 12 if chosen.

In previous years, the school has received funding to fully cover the cost of providing Certificate III courses delivered through South West Regional TAFE. However, this funding is being reduced and the TAFE's have been told to move to a "user pays" system. We will hopefully still be able to fully fund, or at least heavily subsidise these courses for next year, but in the interests of full disclosure, we are obliged to provide the full economic cost of these courses.
